

## **ITS Standard for Laptop Computer**

### 1.0 Purpose

To identify ITS' laptop computer standard.

### 2.0 Scope

The standards should be applied globally across Johnson County Government.

This is a "living document."

### 3.0 Responsibility

It is the responsibility of the user to ensure that any proposed desktop device that shall be attached to the network infrastructure be infrastructure compatible.

### 4.0 Laptop standard

Visit the ITS web site.
